

Your Europe Advice Annual Trends 2019

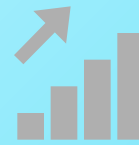

28,034 enquiries
handled by ECAS' legal experts on EU rights

These enquiries provide an insight into the problems experienced by EU citizens and businesses regarding their personal EU rights, including freedom of movement

46% increase
of enquiries, compared to 2018

Topics of the enquiries received (%)

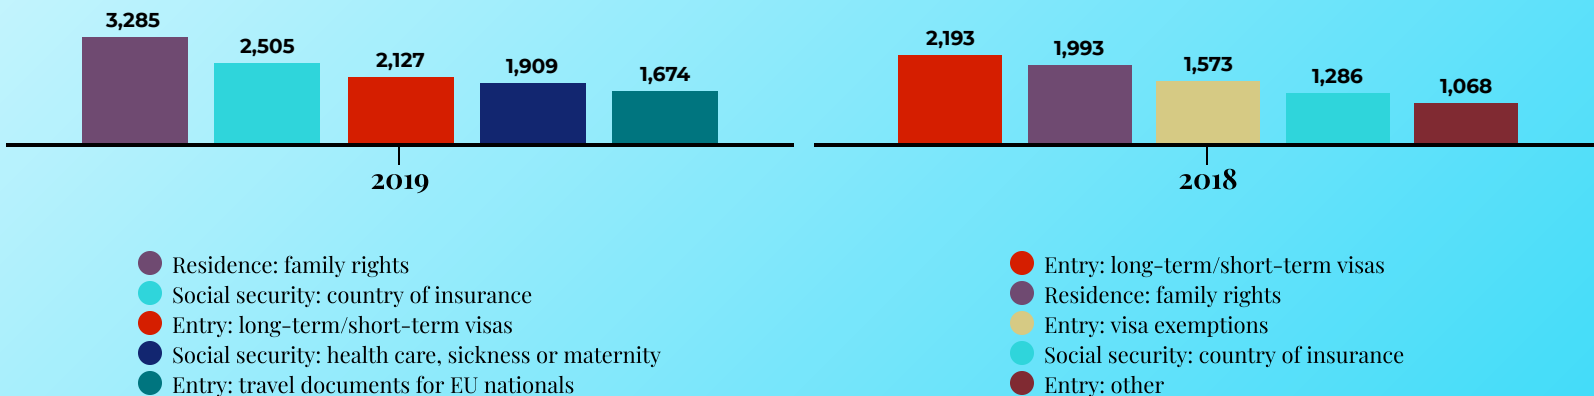

Topics in the "other" category include:

Family rights & issues, other than residence (4%); goods, other than motor vehicles (3%); other fundamental EU rights (1%); judicial rights (1%); financial services (1%)

After being surpassed for the first time in the history of the service by "entry procedures" in 2018, this year the topic of "social security" is back on top
